

TOPIC: RESOLUTION 44-22 OF SANTIAGO CHARTER BOARD TO DETERMINE THE SPENDING PRIORITY OF THE MONIES RECEIVED FROM THE EDUCATION PROTECTION ACCOUNT

DESCRIPTION: On November 6, 2012, the voters of the State of California approved Proposition 30, which added Article XIII, Section 36(e)(f), to the California Constitution, effective November 7, 2012, which avoided deeper cuts to school agencies. The provisions of article XIII created the State General Fund, an Education Protection Account (EPA) to receive and disburse the revenues derived from the incremental increases in taxes imposed.

By June 30th of each year, the school shall estimate the total amount of additional revenues less refunds that will be derived from the incremental increase in tax rates, for the following fiscal year. The calculated amount will be transferred into the EPA within 10 days preceding the end of the fiscal year.

The constitutional language requires that the funds shall not be used for the salaries and benefits of administrators or any other administrative costs. In addition, the districts are required to annually post on its website an accounting of how much money was received from EPA and how that money was spent.

FISCAL IMPACT: Estimated 2022-23 State Aid Revenue Restoration: \$200,256.00

RECOMMENDATION: It is recommended that the Charter Board approve and adopt Resolution 45-23, designating how to spend the monies received from the Education Protection Account from the 2023-24 Fiscal Year and directing staff to post an annual accounting on the school website, as required by law.
