

8th Grade Promotion Party

Dear Santiago Families,

The 8th Grade Promotion Party Committee is starting early this year and we could use your help. We are looking for a committee of volunteers to plan the event, request prize donations from businesses, and organize fundraisers.

The promotion party costs about \$6,000. PTSA contributes \$500 and the balance comes from various fundraisers held through the year. Last year's committee held restaurant nights, sold ice cream daily after school, and organized the Open House In and Out Night.

We would like to continue to keep the fundraisers to a minimum by asking parents to make a contribution to the 8th Grade Promotion Party. This will free up the Promotion Party committee to focus their time and energy on planning the party. **All donations received will go towards the promotion party for the 2019 8th grade class.** Any excess funds will go to the PTSA and be used for the good of the school and all of our students.

Please complete the form below and include it with your other PTSA forms. You can indicate the ways you are interested in helping and any donation you are willing to contribute. All donations are greatly appreciated.

Of course, if you're not ready to volunteer or contribute now, you can do so at any time in the year. Just drop this off in the office or send it to the address below. We want to make sure that your generous donation is recorded.
