Discipline Procedures

Violations of School Bus Passenger Conduct/Regulations will result in drivers issuing Bus Conduct Reports. Drivers may also issue Bus Conduct Reports to students who, in the judgement of the driver, impairs the driver's ability to drive the bus safely, or who jeopardizes the safety of other pupils.

First Violation: The pupil will be counseled by a school administrator. In serious matters, the parent/guardian will be contacted.

Second Violation: If recommended by the driver and supported by the school administrator, the pupil may be refused bus transportation for up to three (3) days. Parent/guardian will be notified.

Third Violation: The pupil may be refused bus transportation for five (5) or more days. The penalty will be determined by a conference that may include the principal, the pupil, a parent/guardian, the bus driver, and/or a leadership representative of the Transportation Department. The effective date of suspension and resumption of bus riding privileges will be determined at that conference. If no parent/guardian is present, implementation of penalty will be effective at the time a parent/guardian is notified.

Gross Violation: In serious matters, even for a first violation, a pupil's bus riding privileges may be revoked.

Refunds: There will be no refunds for days a pupil's bus riding privileges are suspended/revoked.
